**APPROVAL OF AN AMENDMENT TO A MEDICAL,  
DRUG/PHARMACEUTICAL AND MISCELLANEOUS SUPPLIES  
SERVICES AGREEMENT  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

**SUBJECT**

Approval of an Amendment to an Agreement to supply medical, drug/pharmaceutical and miscellaneous supplies to the University of California, Los Angeles School of Nursing Health Center at the Union Rescue Mission.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Interim Director of Health Services (Interim Director), or his designee, to execute Amendment No. 1 to Agreement No. H-701375, with The Regents of The University of California, Los Angeles (UCLA), effective upon execution to extend the Agreement for the period of July 1, 2010 through June 30, 2017, for the continued provision of medical, drug/pharmaceutical and miscellaneous supplies to the UCLA School of Nursing Health Center at the Union Rescue Mission, with an annual maximum obligation of \$12,000 and a total maximum obligation of \$84,000 for the extended period.

[www.dhs.lacounty.gov](http://www.dhs.lacounty.gov)

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommendation will allow the Interim Director to execute an Amendment, substantially similar to Exhibit I, to continue supplying the UCLA School of Nursing Health Center with medical, drug/pharmaceutical and miscellaneous supplies, which are needed to treat patients at the Union Rescue Mission, most of whom are homeless. Treating patients at the Union Rescue Mission is less expensive than other venues such as emergency rooms, urgent care centers, or comprehensive health centers.

The current Agreement expires June 30, 2010. The recommended Amendment also includes updated Board-mandated language and updates to the Agreement exhibits.

### **Implementation of Strategic Plan Goals**

The recommended action supports Goal 4, Health and Mental Health, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The annual maximum obligation is \$12,000 with a total maximum obligation of \$84,000 for the period, July 1, 2010 through June 30, 2017. Funding is included in the Fiscal Year 2010-11 Proposed Budget and will be requested in future fiscal years.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

In June 1988, H. Claude Hudson Comprehensive Health Center (Hudson) began providing medical, drug/pharmaceutical and miscellaneous supplies under a Memorandum of Understanding (MOU) with the UCLA School of Nursing Health Center at the Union Rescue Mission. In late 1999, the MOU expired; however, Hudson agreed to continue providing pharmaceuticals and supplies under a purchase order, until a formal Agreement could be submitted to your Board.

On January 11, 2000, your Board approved an Agreement through June 30, 2005. Subsequently, on June 2, 2005 your Board approved a successor Agreement, effective through June 30, 2010, with an annual maximum obligation of \$10,000.

The UCLA School of Nursing Health Center provides primary health care free of charge, which consists of a physical examination to assess the need to initiate or continue treatment of such medical problems as hypertension, diabetes, asthma, colds, flu and pneumonia, skin infections, open wounds and fungal and bacterial infections. In calendar year 2008, the Center treated 1,800 patients resulting in 6,500 patient encounters; in the 2009 calendar year, the patient number increased 15 percent (2,073 patients) and encounters increased 36 percent (8,853).

The Agreement requires the UCLA School of Nursing to complete and submit a drug formulary form and/or a supply order form to Hudson to receive the supplies. Only those drugs and supplies listed on the drug formulary or supply order form, which are incorporated as part of the Agreement, are provided. Direct supply ordering by the UCLA School of Nursing is not allowed.

The Amendment includes the latest Board-required provisions and includes an increase to the

annual maximum obligation from \$10,000 to \$12,000 to accommodate the increased number of patients.

County Counsel has approved Exhibit I as to use and form.

**CONTRACTING PROCESS**

Not applicable.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommendation will help to maintain an adequate supply of medical, drug/pharmaceutical and miscellaneous supplies to the UCLA School of Nursing in treating homeless patients who would otherwise potentially receive treatment at County facilities at higher costs.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John Schunhoff", with a stylized, cursive script.

4. Additional Provisions Paragraph 28, CONTRACTOR RESPONSIBILITY AND DEBARMENT, shall be deleted in its entirety and replaced to read as follows:

“28. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

- A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as

quality, fitness, capacity and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

- B. Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts, which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.
- C. County may debar Contractor if County's Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.
- D. If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether contractor should be debarred, and if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right at its sole discretion to modify, deny, or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
- H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify,

deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board

- I. These terms shall also apply to any subcontractors of County Contractors."

5. Additional Provisions Paragraph 29, PROHIBITION AGAINST ASSIGNMENT AND DELEGATION, shall be added to the Agreement's ADDITIONAL PROVISIONS to read as follows:

"29. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION

- A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County. Any assignment or delegation which does not have such prior County consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any billings to County by any delegatee or assignee on any claim under this Agreement, absent such County's consent, shall not be paid by County. Any payments by County to any delegatee or assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to setoff, recoupment or other reduction of claims which County may have against Contractor, whether under this Agreement or otherwise.
- B. Shareholders or partners, or both, of Contractor may sell, exchange, assign, divest, or otherwise transfer any interest they may have therein. However, in the event any such sale, exchange, assignment, divestment or other transfer is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, then prior written consent thereof by County's Board of Supervisors shall be required. Any payments by County to Contractor on any claim under this Agreement shall not waive or constitute such County consent. Consent to any such sale, exchange, assignment, divestment, or other transfer shall be refused only if County, in its sole judgment, determines that the transferee(s) is (are) lacking in experience, capability and financial ability to perform all Agreement services and other

work. This in no way limits any County right found elsewhere in this Agreement, including, but not limited to, any right to terminate this Agreement.

- C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor."

- 6. Additional Provisions Paragraph 30, CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, shall be added to the Agreement's ADDITIONAL PROVISIONS to read as follows:

"30. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles Code Chapter 2.206."

- 7. Additional Provisions Paragraph 31, TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, shall be added to the Agreement's ADDITIONAL PROVISIONS to read as follows:

"31. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 48 - Contractor's Warranty of Compliance with County's Defaulted

8. Exhibits A and B to the Agreement shall be deleted in their entirety and replaced with the attached Exhibits A and B.
9. Except for the changes set forth hereinabove, Agreement shall not be changed in any respect by this Amendment.
